

FIBERGLASS PLANTERS

MARINE GRADE FIBERGLASS

The marine grade fiberglass in our products is a composite material that provides unrivaled performance and durability in all weather conditions. Premium quality polyester resin is combined with glass fibers to create a material that is as strong and reliable as traditional materials like stone but much lighter in weight. The superior strength-to-weight ratio of fiberglass enables our craftsmen to hand craft innovative designs of all shapes and sizes that can be installed, lifted and carried with ease. Resistant to UV, frost and a range of other weather conditions, marine grade fiberglass is ideal for use outdoors in any climate, from a sunny tower rooftop in Dubai to a New York balcony in winter.

COLLECTION OF 3 PCS

ASTER

Set Of 3pcs

1.

ASTER -A (BIG)

SIZES & PRICING

Dia 9.5"*Height 48" - ₹ 12,500/-
